# Wynnton Wonders

Hello Wonderful Wynnton Parents!

Our theme this year, *Creatively Changing and Connecting*, is most fitting as we begin our Citizen of the Month celebrations. Students will be recognized in their classrooms, rather than holding a school-wide event. A virtual and an in-person student who has followed the 4 Cs and been a model Wynnton student will be chosen from each class. The first program will be on November 19, 2020. Watch class newsletters for more information on the times.

Parents, we need your help to ensure that our virtual learners are meeting attendance and attention expectations. Attendance counts, whether the instructional choice is virtual or in-person. Virtual students are expected to be *in attendance and give attention* just the same as the students who are here in the building. Please reinforce with your children the importance of being in every class, every day, and being focused and attentive. That includes attending and participating in fine arts, PE, and guidance classes.

Stay safe and have the happiest of Thanksgivings with your families!

Mrs. Mull
