Citizen of the Month

Wonderful Wynnton Families,

We are happy to welcome students back virtually as we begin the second semester of the 20-21 school year. The district will continue with the virtual instructional model for all learners at this time. Watch and listen for notice from the district on when students who have chosen to be in-person learners may return to the buildings. In the meantime, please contact the school if you have questions or need assistance with technology issues.

With the new year comes a renewed commitment from the staff of Wynnton Arts Academy to continue to uphold high standards of excellence. I thank you for your continuing support as we work together to make Wynnton Arts Academy an amazing place of teaching and learning ~ Creatively Changing and Connecting!
