Hello Aaron Cohn Bulldog Family,

It is our sincerest hope that this letter finds everyone staying safe and healthy. The 2020-2021 school year is quickly approaching and we are looking very much forward to working with you. Although this school year is not getting off to the start that we had all wished for, please know that we are committed to working with you and serving our Aaron Cohn family to the best of our abilities. We do ask again for your patience and understanding as we begin this school year under less than ideal circumstances. We also know that you as well have many questions and concerns. We do hope to answer many of those as we begin this school year, but please don't hesitate to email us your questions and we will do our best to answer them as we can.

Also attached you will find more detailed information on our Student Verification days to include safety precautions that we will be taking on those days.

Once again, we look forward to serving you this school year.

In Continued Service,

Ricky Stone
