Guidance

Hello Aaron Cohn Bulldog Family,

It is our sincerest hope that this letter finds everyone staying safe and healthy. The 2021-2022 school year is quickly approaching and we are looking very much forward to working with you.

Attached you will find detailed information on our Student Verification days to include continued safety precautions that we will be taking on those days.

If you have not done so already, please be sure that you have completed your Online Registration for the 2021-22 school year prior to our Verification Days. All Students, new and returning, must complete the Online Registration process. Returning students to the school district can complete this process through your Infinite Campus Parent Portal. New students to the district should go to the Muscogee County School District website at www.muscogee.k12.ga.us and click on the Online Registration button to the right of the screen. Any student who has not completed their Online Registration are not considered as registered for school and cannot receive their school schedule until completed.

Additionally, if your OLR application has been put on hold due to incomplete documentation, please get that to us as soon as possible so that we can get your application completed and closed out.

Once again, we look forward to serving you this school year.

In Continued Service,

Ricky Stone
Principal
