ENGAGING AND EMPOWERING FAMILIES WITH...

School Measures to Provide Required Assistance: Allen Elementary will take the following measures to promote and support parents:

Curriculum Information: Inform parents throughout the year about what their child is learning by providing parent and family engagement meetings and workshops, parent-teacher conferences, information on Canvas, and on our school website.

Student Progress Monitoring: Ensure families are familiar with the online resource Infinite Campus (Parent Portal) that allows families to view grades, attendance, schedules, assessments, course history, and much more. Monitoring student progress in school is an important way to be involved in their education.

Parent Resources: Create and maintain a Parent Resource Area/Room to allow parents opportunities to checkout materials to assist them with helping their child at home. Resources are available in English and Spanish.

Staff Trainings: Conduct staff development quarterly on parent engagement practices and effective strategies for staff to communicate and build partnerships with parents.

Communication: Ensure schools publish all information related to school workshops, programs, meetings, and activities in both English and Spanish and communicated on a regular basis.

Transition Support: Partner with early childhood programs, elementary schools, middle schools, high schools, college and career organizations, parent resource centers, or other programs (as applicable) to help prepare families and their children for successful school transitioning.

Communication

Allen Elementary is committed to keeping open lines of communication with families. We have several ways to communicate. We utilize two-way communication through the school website, email, phone calls, parent conferences, social media, Infinite Campus and Canvas to reach our students and families.

Allen Elementary will also provide materials at conferences and workshops to help parents work with their children at home. Parents can request additional conferences by contacting the school or their child's teacher.

Transportation and childcare may also be offered for parents to prevent barriers to family engagement. For all students who reside in residential facilities served by the Muscogee County School District, family engagement correspondence and activities will be mailed to each facility where students reside. If you need interpretation and/or translation services, please contact the school at (706) 748-2418. Some of the ways you can expect us to reach you are:

- Weekly homework folders
- Connect-Ed phone calls and/or text messages
- Updates on the school's website
- Parent Emails
- Parent-teacher conferences
- Class Dojo
- Canvas
