2021-2022 Nine Weeks Exam Policy

All academic content courses are required to have a nine weeks' test. These cumulative tests developed by our academic departments serve as a measurement of content mastery covered in each academic core area at the end of the grading period. Students meeting the criteria listed below will be eligible to exempt nine weeks' exams in up to four academic core classes: Social Studies, Math, Language Arts and Science.

Exam exemption means a student may NOT be required to take the exam for a qualifying class, and/or the exam grade will not count against the student as they are exempt or will count to replace a low grade. During exam days, daily attendance to school is still required.

Exams are given over a four-day period as established by the school's nine weeks' testing schedule. Students will still have academic work in the remaining classes each day. The criteria for exemption is per class, per nine week period, and is as follows:

1. A class average of 88 and perfect attendance prior to the end of the 9 weeks or
2. A class average of 93 for the nine weeks.

*No major discipline issues resulting in ISS/OSS or more than 1 Saturday School for the nine week period to qualify.

Nine Weeks Test Dates

Chromebooks

We are seeing more damage happening to Chromebooks. Chromebook damage may result in charges to parents. Please talk to your child about the costs of negligence in taking care of devices.

Valentine's Pajama Day

Beta Club will be sponsoring a pajama day on Monday, Feb. 14th.

Bring \$5 and wear your favorite regular or Valentine-themed PJs!

HOSA and FBLA Spread the Love for Valentine's Day

HOSA and FBLA teamed up for this month's service project. In the spirit of Valentine's Day, our students were able to provide over 100 goodie bags for Piedmont Columbus Regional Children's Center and the Pediatric ER. We hope to spread a little love to children during what could be a scary time.
