

## Healthcare Program Guide

Healthcare is a broad career field with a variety of positions, including nurses, physical trainers, EMTs/paramedics, EKG technicians, laboratory technicians, and medical office administrators. In the Columbus region, and throughout the state, healthcare is in high demand and offers a large number of openings every year. Numerous rewarding employment opportunities are available.

### Start In High School. Follow *Your* Perfect Path.

#### High Schools

By participating in high school CTAE programs, students can create opportunities to continue their studies in college, pursue an entry-level job, or serve in a related field in the military. (See back for a full list of programs.)

#### HOSA

HOSA is the Career & Technical Student Organization (CTSO) that gives students an opportunity to participate in career-related competitions across the state and nation, and gain leadership experience.

#### Certifications

After completing a CTAE pathway, students prepare for certification exams, at CTAE expense, that may qualify them for entry-level jobs and/or college credit.

#### Work-Based Learning

Students have the opportunity to be released early from school to work in positions related to their CTAE pathways.

#### Direct-to-Work

Rigorous high school programs prepare students for healthcare careers upon graduation.
