October 22, 2021

Parents, please join us in our ongoing quest to keep our children drug free! In 1988, National Family Partnership sponsored the first red ribbon week. The red ribbon serves as a catalyst to mobilize communities to educate youth and encourage participation in drug prevention activities. The theme for this year is **Drug Free Looks Like Me**. The theme is a reminder that everyday Americans across the country make significant daily contributions to their communities by being the best they can be because they live Drug-Free! The children will be participating in age appropriate, fun activities promoting a drug free community.

Everyday there is a dress up theme (see box below)!

Please be mindful that costumes on Friday are non scary. We are also asking they do not wear masks (except protective face mask) or face paint.

## **CORE CURRICULUM CLASSES**

In October, the students and I will be discussing the importance of having a growth mindset versus a fixed mindset.

These discussions have been about academics and school related activities as well as friendships, sports, extra curricular activities and home! We want ERA students to always be willing to meet a new challenge and have the power of the word Yet! During the last few weeks of October we will be discussing Leading an Alcohol and Drug Free Life Awareness during our Red Ribbon Week, October 25-29.

## Word of the Month for October

**RESPECT—showing regard for the worth of self, others or something**

## Affirmations of the Month for October

**Respect yourself and others will respect you.**

**Golden rule, treat others the way you want to be treated.**

**One of the most sincere forms of respect is actually listening to what another has to say.**

**Education is the most powerful weapon which you can use to change the world.**
