November 05, 2021

As we approach Veterans Day on Thursday, November 11, I would like to take a moment to reflect on what this day is truly about. To give thanks and recognize all the men and women who serve and have served in our military. Their sacrifice, honorable service, and dedication to our country should be an example for all to follow. We have the pleasure of serving many military families at ERA. Please take the extra time to extend your thanks for the freedoms they provide for us.

I hope everyone enjoys the day off Thursday, November 11 in observance of Veterans Day. Friday, November 12 is a virtual day. Pre-K—2nd grade do not have class. It is a teacher planning day. 3rd—5th graders will be sent home with their chrome books for virtual learning. Please be on the lookout for more information from your teacher on how to access your assignments through Canvas.

Amy Parker, Principal

Congratulations to Ivan Galapon!

He represented Eagle Ridge

Academy in an art contest put on by the Columbus Public Library titled "It's All About Words." He had to come up with a word or phrase that was meaningful to him and then create a self-portrait based on that word or phrase. Ivan chose the word "Imagine" since he loves to make art, build and one day plans to be a mechanical engineer.

Way To Go Ivan!!

At this time we are unable to take any Birthday Sign requests. We apologize and will let you know as soon as we can start taking them again!

November is Family Engagement Month

Family engagement means parents, families and school personnel will participate in two-way, meaningful communication for the common goal of the student. Parents and families are invited to attend school meetings to share ideas and suggestions.

Research and experience show the positive effect that parent engagement has on academic achievement. When parents get involved and stay involved, all students achieve at higher level.

WE WANT TO THANK YOU FOR ENGAGING IN YOUR CHILDREN'S EDUCATION AND WE CONGRATULATE YOU FOR YOUR EFFORT IN THEIR ACADEMIC SUCCESS!

Noviembre es el mes del Involucramiento Familiar

La participación familiar significa que los padres, familiares y el personal escolar participarán en una comunicación bidireccional significativa teniendo en cuenta al estudiante como la meta en común. Los padres y familiares están invitados a asistir a las reuniones en las escuelas para que compartan ideas y sugerencias.

Las investigaciones y experiencias muestran el efecto position del involucramiento familiar en los logros académicos. Cuando los padres participan y se mantienen involucrados en la educación de sus hijos, los estudiantes alcanzan potenciales académicos muy altos.

¡LES DAMOS LAS GRACIAS POR INVOLUCRARSE EN LA EDUCACION DE SUS HIJOS Y LOS FELICITAMOS POR SUS ESFUERZOS EN EL ÉXITO ACADEMICO DE SUS HIJOS!
