Parents, I am excited to share our PBIS plans with you for the 21-22 school year. PBIS stands for Positive Behavioral Interventions and Supports and is an evidence-based three-tiered framework for improving and integrating all of the data, systems, and practices affecting student outcomes every day. It is a way to support everyone to create the kinds of schools where all students are successful. The three areas we are focusing on this year are the hallway, cafeteria, and playground. Within these areas, children are learning to be respectful, be responsible, and be kind. Our theme for this year is “We Work And Play The Eagle Way”. There will be a weekly PBIS box in the Friday Flyer with information on how we are implementing these plans in school and what you can do at home to reinforce them at home. As always, thank you for your continued support!

Amy Parker, Principal

November is Family Engagement Month

Family engagement means parents, families and school personnel will participate in two-way, meaningful communication for the common goal of the student. Parents and families are invited to attend school meetings to share ideas and suggestions.

Research and experience show the positive effect that parent engagement has on academic achievement. When parents get involved and stay involved, all students achieve at higher level.

WE WANT TO THANK YOU FOR ENGAGING IN YOUR CHILDREN'S EDUCATION AND WE CONGRATULATE YOU FOR YOUR EFFORT IN THEIR ACADEMIC SUCCESS!

Noviembre es el mes del Involucramiento Familiar

La participación familiar significa que los padres, familiares y el personal escolar participarán en una comunicación bidireccional significativa teniendo en cuenta al estudiante como la meta en común. Los padres y familiares están invitados a asistir a las reuniones en las escuelas para que compartan ideas y sugerencias.

Las investigaciones y experiencias muestran el efecto position del involucramiento familiar en los logros académicos. Cuando los padres participan y se mantienen involucrados en la educación de sus hijos, los estudiantes alcanzan potenciales académicos muy altos.

¡LES DAMOS LAS GRACIAS POR INVOLUCRARSE EN LA EDUCACION DE SUS HIJOS Y LOS FELICITAMOS POR SUS ESFUERZOS EN EL ÉXITO ACADEMICO DE SUS HIJOS!
