

Eagle Ridge

FRIDAY FLYER

Principal's NOTE

Our theme this year is "Teach them. Love them. Watch them grow." Our goal here at Eagle Ridge is to build a school community where both students, parents, and faculty can blossom. We believe that children learn and engage better in a classroom where they feel safe and loved, so we make those connections first and then we can see them start to grow. We started this process by hosting our annual orientation night and were so excited to see all the families who were able to come out. We look forward to hosting more events where we can invite our families back into the school building!

-Amy Parker, Principal
