SCHOOL SPIRIT FRIDAY: Red Ribbon Week dress-up week!

Principal's NOTE

Next week we will be celebrating our annual Red Ribbon week. This weeks theme is "Celebrate Life. Live Drug Free." We will be discussing making healthy choices to ensure a brighter future! This theme serves as a reminder that we are all empowered with shaping the communities around us with positivity, bravery, and strength. There are other ways to fit in without giving into unhealthy peer pressures. We want students to celebrate their uniqueness and show it to the world. ERA loves our students and we want everyone to lead happy, healthy, fun, and wonderful lives.

Dear Parent,

As you may know, flu can be easily spread from person to person. We are taking precautions at Eagle Ridge Academy to minimize the number of students who get sick with flu and avoid disruptions of the school session to ensure students are able to attend. **But, we also need your assistance!**

Here are a few things you can do to help:

- **Know the signs and symptoms of the flu.** Symptoms of the flu include fever (100 degrees Fahrenheit, 37.8 degrees Celsius or greater), cough, sore throat, a runny or stuffy nose, body aches, headache, and feeling very tired. Some people may also have vomiting or diarrhea.
- **Keep sick children at home** for at least 24 hours **after** they no longer have fever or do not have signs of fever, without using fever-reducing drugs. Keeping children with a fever at home will reduce the number of people who may get infected.
- **Do not send children to school if they are sick.** Any children who are determined to be sick while at school **will be sent home.**
- **Get vaccinated against the flu.** Influenza vaccination is the best defense against the flu.
- **Teach your children to wash their hands** often with soap and water or an alcohol-based hand rub. You can set a good example by doing this yourself.
- **Teach your children not to share personal items** like drinks, food or unwashed utensils, and to cover their coughs and sneezes with tissues. Covering up their coughs or sneezes using the elbow, arm or sleeve instead of the hand when a tissue is unavailable.

For more information about flu in our community, visit <https://dph.georgia.gov/influenza-reports> or <https://www.cdc.gov/flu/weekly/>. We will notify you of any additional changes to our school's strategy to prevent the spread of flu.

Join us for fun dress up days to celebrate Red Ribbon Week!
