### Principals NOTE

Parents, I want to encourage you to read to your student every day. Whether you read picture books or chapter books, reading aloud to your child has a major impact on their life. Studies have shown that children who read or are read to everyday have significantly larger and more developed vocabularies than other children. It can also help improve language skills and support cognitive development which prepares your child for academic success. In addition to these academic benefits, it also helps develop a special bond between you and your child and can cultivate a life long love for reading. Make reading each day part of your child's routine!

## Notes from Ms. Bray

During January 23<sup>rd</sup>-27<sup>th</sup>, ERA will participate in the Great Kindness Challenge! Our theme this year is Kindness Heals. The GKC is a proactive and positive SEL-focused bullying prevention program that improves school climate and increases student engagement. This is one week devoted to performing as many acts of kindness as possible at our school.
