Principals NOTE

Next week, January 23-27, Muscogee County will be participating in The Great Kindness Challenge. This week was founded in 2011 when a global, nonprofit organization called Kids For Peace was asked to help create a more positive, unified, and respectful school environment. The heart of the challenge is the simple belief that we can grow kindness to help our schools, communities, and even our world become a more compassionate place for all. We will have daily dress up days and challenges to encourage students to complete as many acts of kindness as possible! Together we can show the world that kindness matters!

Notes from Ms. Bray

During January 23rd-27th, ERA will participate in the Great Kindness Challenge! Our theme this year is Kindness Heals. The GKC is a proactive and positive SEL-focused bullying prevention program that improves school climate and increases student engagement. This is one week devoted to performing as many acts of kindness as possible at our school. By using the kindness checklist, students will accept the challenge and show our community - and the world - that KINDNESS HEALS!
