FRIDAY FLYER

Principals NOTE

Parents, I want to encourage you to read with your child daily. Whether you read picture books or novels, reading aloud to children significantly impacts their lives. Studies have shown that reading for pleasure helps support cognitive development, improves language skills, and prepares children for academic success. Reading with your child can cultivate a lifelong love of reading. To have successful and effective reading sessions, start young, make it part of their routine, encourage variation, and have patience.

-Amy Parker, Principal
