Principals NOTE

Parents, I want to encourage you to read to your students everyday. Whether you read picture books or novels, reading aloud to children has a significant impact on their life. Studies have shown that reading for pleasure helps support cognitive development, improves language skills, and prepares children for academic success. Reading with your child can cultivate a lifelong love of reading. To have successful and effective reading sessions start young, make it part of their routine, encourage variation, and have patience.

- Amy Parker, Principal

Notes from Ms. Bray

November is here! I would like to ask all our parents to monitor what your student is watching on social media! Like I tell the students, there are many ways for you to be on a device - phone, tablet, computer, gaming systems. Cyberbullying is a major concern and there are too many inappropriate posts that are available to view and they pose a threat to the innocence of our students. Be aware!

Character Word for November - Citizenship

Citizenship - The way you act as a responsible member of the community. Citizenship includes patriotism, service to others and being honorable.

Affirmations for November

Being a patriot is knowing that America is another name for opportunity. The best way to find yourself is to lose yourself in the service of others. The time is always right to do what is right.
