Principals NOTE

This week Muscogee County will be participating in The Great Kindness Challenge. The Great Kindness Challenge was founded in 2011 when a global, nonprofit organization called Kids For Peace was asked to help create a more positive, unified, and respectful school environment. The heart of the challenge is the simple belief that we can grow kindness to help our schools, communities, and even our world become a more compassionate place for all. We will have daily challenges to encourage students to complete as many acts of kindness as possible! Together we can show the world that kindness matters!
