Principals NOTE

Parents, I want to encourage you to read to your student every day. Whether you read picture books or chapter books, reading aloud to your child has a major impact on their life. Studies have shown that children who read or are read to everyday have significantly larger and more developed vocabularies than other children. It can also help improve language skills and support cognitive development which prepares your child for academic success. In addition to these academic benefits, it also helps develop a special bond between you and your child and can cultivate a life long love for reading. Make reading each day part of your child's routine!
-Amy Parker, Principal

Notes from Ms. Bray

We will have a very busy February here at Eagle Ridge Academy! This month we have our annual Fun Run fundraiser, the classes will be celebrating Valentine's Day and as a school we will celebrate I Love My Future Week during the students counseling special time! I Love My Future Week is centered around finding ways to inspire and equip students to construct a vision for their future. Even at the youngest age we want to help our ERA students find and start to capitalize on their interests and desires with the encouragement to try new and different areas! Each and every student has a strength and we want to encourage and challenge our students in fostering those strengths!

Affirmations for February

Every day may not be good, but there is something good in every day.

When you forgive, you don't change the past but you change the future.

A warm smile is the universal language of kindness.

A mind that opens to a new idea never returns to its original size.
