Principals NOTE

Parents, our number one goal is safety here at ERA. It is very important for parents and caregivers to understand that while the law is important to know, it is also critical to understand what is best practice for children who ride in car seats and knowing the appropriate car seat to use. What does Georgia law say about Child Passenger Safety?

According to Georgia law: "In Georgia, there is legislation to ensure children are riding in child passenger restraint systems while in a passenger motor vehicle. According to O.C.G.A. 40-6-76 (Georgia Code) children under eight years of age must ride in an approved child restraint system and be restrained by a seat safety belt approved under Federal Motor Vehicle Safety Standard 208."

Notes from Ms. Bray

We will have a very busy February here at Eagle Ridge Academy! This month we have our annual Fun Run fundraiser, the classes will be celebrating Valentine's Day and as a school we will celebrate I Love My Future Week during the students counseling special time! I Love My Future Week is centered around finding ways to inspire and equip students to construct a vision for their future. Even at the youngest age we want to help our ERA students find and start to capitalize on their interests and desires with the encouragement to try new and different areas! Each and every student has a strength and we want to encourage and challenge our students in fostering those strengths!
