School Climate Survey

Now is the time to take our 2019-2020 School Climate Survey. This parent survey is the guiding principle for our school climate rating on CCRPI (College and Career Ready Performance Index) and is how the state grades our school. If you would like to complete this quick survey now, please click this link: <https://gshs.gadoe.org/parents>.

We will have iPads available in the front office during school hours for our parents to drop in to take the survey. You will also have a chance to complete the survey during our Literacy and Tech Night on November 7th from 5-7pm. We are asking ALL parents complete this survey for use. Thanks in advance for all that you do!

Volunteers

Parents,

We are looking for more parent volunteers to help out with our Book Fair. The Book Fair will be set up in the library November 4th-8th from 8-2. If you would like to come help us out for an hour or two any day, you may sign up using the link below or see our Parent Liaison, Ms. Harris, to sign up.

Remember, family involvement is important to your child's success! Thanks for everything!
