### School Climate Survey

Now is the time to take our 2019-2020 School Climate Survey. This parent survey is the guiding principle for our school climate rating on CCRPI (College and Career Ready Performance Index) and is how the state grades our school. If you would like to complete this quick survey now, please click this link: <https://gshs.gadoe.org/parents>.

We will have iPads available in the front office during school hours for our parents to drop in to take the survey. You will also have a change to complete the survey during our Literacy and Tech Night on November 7<sup>th</sup> from 5-7pm. We are asking ALL parents complete this survey for use. Thanks in advance for all that you do!

### PBIS Rewards

Dear Parents,

If you have visited the school lately you may have noticed your student wearing a badge with their name, picture, and a QR code. To positively reinforce our three Wildcat expectations when your student is "caught" being **respectful**, **responsible**, and **kind**, a teacher can scan the badge to give them points. They will be given the opportunity to "cash in" these points for rewards throughout the school year.
