

Instructions to get on Clever from home

1. Go to <https://www.muscogee.k12.ga.us/Families>
2. Click on the icon for Clever (pictured below).
3. When it tells you to log in, you will need to type in your child's GTID number (provided by your child's teacher), **followed by @mscdgas.com**. For example, if your child's GTID # is 0123456789, then you will need to type 0123456789@mscdgas.com.
4. You will also need your child's password. This password is their "mc" password. It is the letters "mc," followed by their 6 digit birthday. So if your child's birthday is January 23, 2010, then the password would be mc012310.

All instructional programs we use in school (Achieve 3000, Lexia, IXL, EnVision, Reading Wonders, etc.) can be accessed through Clever.

Please feel free to contact the school if you have any problems.
