### PREPARING FOR THE GEORGIA MILESTONES

Parents it is almost that time for our 3<sup>rd</sup> thru 5<sup>th</sup> graders to take the Georgia Milestones. We need all hands on deck to make sure that all of our students are successful. Students are now able to practice navigating through the assessment platform at home to get them ready for the real test. The website "Experience Online Testing Georgia" provides a view of practice Tech-Enhanced items that will be featured on the assessment for each grade level/content area. The user name and password for this practice site is on the login page. No tickets are necessary. All you will have to do is click the link below or type it into your web browser.
