# Grab a Highlighter!

Use in the general music classroom or as a supplement to private music instruction!

There are 5 activities included in this packet - 3 highlighting activities shown, as well as a practice page for drawing quarter notes and a 'color by note' page.

These pages can also be used with page protectors and a dry erase marker or by using clear plastic chips to cover the notes.

# Note Maze!

Follow the quarter note to the end of the maze!
