WHAT IS PBIS?

PBIS (Positive Behavior Intervention & Supports) is a school-wide, evidence-based framework that helps students succeed academically, socially, emotionally, and mentally. When implemented with fidelity, PBIS:

- Teaches expectations
- Creates a positive school climate
- Addresses problem behaviors
- Connects school-to-home
- Uses positive reinforcement

Futures! ♥

Whole-Child Approach

Along with the Georgia Department of Education, Forrest Road believes in working with the whole child. This holistic approach serves students in all areas of their lives, including academic, physical, social, and emotional development.

OUR PBIS EXPECTATIONS

Our experienced educators deliver a well-rounded curriculum featuring our behavior expectations:

Be
Respectful

Be
Responsible

Be
Kind

PBIS KEY AREAS

Forrest Road Elementary focuses on three main areas where expectations are taught. Although these expectations are reinforced throughout all areas of the school, special emphasis is placed on these key zones:

Restroom

Hallway

Cafeteria

Forrest Rd. Elementary School PBIS Expectations

	Restroom Expectations	Hallway Expectations	Cafeteria Expectations
Be Respectful	- Keep others privacy - Ask for space - Clean up after yourself	- Walk in a straight line - Keep your hands to yourself - Use quiet voices	- Keep hands to yourself - Use soft voices - Respect personal space
Be Responsible	- Flush the toilet - Use the toilet, sink, and paper towels - Wash hands	- Use the restroom during break times - Be to the right	- Clean up after yourself - Ask permission before getting up
Be Kind	- Wait your turn - Use polite words ("please," "thank you," and "excuse me")	- Wait your turn - Use polite words ("please," "thank you," and "excuse me")	- Wait your turn - Use polite words ("please," "thank you," and "excuse me")

Forrest Road
Elementary PBIS Team

- Consists of staff, teachers, and parents
- Meets monthly
- Reviews data on behavior
- Discusses interventions and strategies to address behaviors
- Collaborates with community agencies for in-depth support

Wildcats Lead with Character! ♥

WILDCAT RECOGNITION

At Forrest Road, we notice and celebrate students who demonstrate our PBIS expectations:

Be Respectful

Be Responsible

Be Kind

HOW WE ENCOURAGE SUCCESS

- Specific praise that tells students exactly what they did well
- Positive recognition in classrooms and throughout the school
- Opportunities to celebrate growth, effort, and positive choices
- Consistent reminders and reteaching when expectations need practice

WHEN WE NEED A RESET

PBIS is about teaching behavior just like we teach reading and math. When a student makes a poor choice, our goal is to help the student learn what to do next.

- 1 REMIND**
Review the expected behavior in clear, student-friendly language.
- 2 RETEACH**
Model and practice what being respectful, responsible, and kind looks like.
- 3 REFLECT**
Help the student think about the choice, its impact, and a better next step.
- 4 RECONNECT**
Welcome the student back and recognize improved choices.

Our Goal
Teach the expectation, restore the relationship, and help every Wildcat make a better choice.

FAMILIES + SCHOOL

Families are important partners in building a positive school community. You can support PBIS by using the same language we use at school.

TRY THESE QUESTIONS AT HOME

- How were you respectful today?
- What responsibility did you show?
- How did you show kindness to someone?
- What is one choice you are proud of today?

WE ARE A TEAM

When school and home work together, students receive a clear and consistent message: positive choices matter.
