

Welcome to Fort's Virtual Library

Even though we are not in the physical building, you still have access to the resources of the media center and the Chattahoochee Regional Library System. By using our online catalog, Destiny, you can search Fort's library for digital books (e-books) so that you can continue to find good books to read while you are doing virtual learning.

If you have not visited the media center, the Muscogee County School District has an online catalog for all MCSD schools; you can access Fort's collection from the Internet. You can search the library collection by author, title, keyword, subject, and series.

<https://library.muscogee.k12.ga.us/>

A basic search in the catalog lets you use simple search terms or phrases to find materials and set limiters to narrow your search results.

The Atlanta Falcons story [electronic resource]
[Larry Mack].
(Series: Torque. NFL teams)
Call #: Electronic resource 796.33 MAC

When an NFL franchise was bought for Atlanta in 1965, Georgians were called upon to name the team. A teacher from the city of Griffin suggested 'Falcons.' The birds of prey are proud, brave, and strong with a great sporting tradition. See if the Falcons live up to their name in this high-low read! --Provided by the publisher.
