

How can I have my lowest test score in Math and ELA dropped?

It's simple!

- ✚ First, log into gcaconnect.org over Spring Break.
- ✚ Next, go to your Math and ELA teachers' Assignment.
- ✚ Choose the GMAS Spring Break ELA Packet or the GMAS Spring Break Math Packet.
- ✚ If you complete the entire Math packet, your lowest score Math will be dropped.
- ✚ If you complete the entire writing assignment in the ELA packet, your lowest ELA score will be dropped.
