

Parent Set Aside Survey

Parents, Family Members, and Other Community Education Stakeholders of Muscogee County,

The Muscogee County School District (MCSD) annually receives Federal funding for schools with a high percentage of students who are eligible to receive free or reduced priced school meals. Currently, 47 schools in MCSD receive federal, state, and local funds. One of the provisions of this grant is the requirement for the district to set aside 1% of its federal funds to promote activities that build parents' capacity to become partners with schools to help their children achieve academically. You, as a parent, family member, or other educational community stakeholder, may assist the MCSD Federal Programs Department in making decisions about how these funds will be used in the 2025-2026 school year.

You may participate in the decision making process by completing the Parent Set Aside Survey below. Please return to your child's school prior to October 3, 2025.

Please select up to three choices.

- ☐ Parent and Family Engagement Books, Pamphlets, and Brochures
- ☐ Parent and Family Engagement Training Workshops and/or Conferences
- ☐ Materials for Improving Mathematical Skills
- ☐ Materials for Improving Reading and Writing Skills
- ☐ SAT, ACT, and ASVAB Books/College Prep Materials and/or Training
- ☐ Georgia Milestones Resources
- ☐ Bilingual Resources _____ (specify language)
- ☐ Uniforms
- ☐ Other Suggestions _____
