Working Together To Ensure Success

Fox Elementary School will...

Teachers are expected to work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- Coordinate activities for Literacy Night and share strategies with families on how to help students at home.
- Monitor student progress in reading and math and update parents frequently.
- Establish open lines of communication with parents concerning their child's school performance.
- Provide personalized learning experiences for every student.

Ms. Alison Waldrop, Principal

As Students, we will...

Students are encouraged to participate in the educational process. A successful student takes ownership of his/her learning and sets high educational goals.

- Work hard to expand reading levels.
- Work cooperatively with my teachers to increase academic success.
- As a student, do my best in all classes.

As Families, we will...

Parents are expected to participate in the education of their children. Without the cooperation and partnership between parents and school staff, we cannot effectively help a student reach his/her full potential. The major role of parents is to continually show the child that they are interested and supportive of how their child is doing in school.

- Use reading materials the teacher sends home to help my child gain knowledge in Reading.
- Help my child increase their reading comprehension skills.
- Communicate with my child's teacher regarding any questions or concerns about my child's individual goals for learning.
- Attend Parent and Family Engagement Workshops.

Our District Goals

By June 2031, Muscogee County School District will increase the percentage of students performing at or above grade-level readiness by 20 percentage points through the implementation of evidence-based instructional practices, targeted interventions, and ongoing progress monitoring across all schools.

By June 2031, Muscogee County School District will reduce districtwide chronic absenteeism by a minimum of 20% from the established baseline year (2025–2026), as measured by official student attendance data reported through the state accountability system.

ENGAGING AND EMPOWERING FAMILIES WITH...

School Measures to Provide Required Assistance: Fox Elementary School will take the following measures to promote and support parents:

Curriculum Information: Inform parents throughout the year about what their child is learning by providing parent and family engagement meetings and workshops, parent-teacher conferences, information on Dojo, and on our school website.

Student Progress Monitoring: Ensure families are familiar with the online resource Infinite Campus (Parent Portal) that allows families to view grades, attendance, schedules, assessments, course history, and much more. Monitoring student progress in school is an important way to be involved in their education.

Parent Resources: Create and maintain a Parent Resource Area/Room to allow parents opportunities to checkout materials to assist them with helping their child at home. Resources are available in English and Spanish.

Staff Trainings: Conduct staff development quarterly on parent engagement practices and effective strategies for staff to communicate and build partnerships with parents.

Communication: Ensure schools publish all information related to school workshops, programs, meetings, and activities in both English and Spanish and communicated on a regular basis.

Transition Support: Partner with early childhood programs, elementary schools, middle schools, high schools, college and career organizations, parent resource centers, or other programs (as applicable) to help prepare families and their children for successful school transitioning.

Communication

Fox Elementary is committed to keeping open lines of communication with families. We have several ways to communicate. We utilize two-way communication through the school website, email, phone calls, parent conferences, social media, Infinite Campus, Dojo, and Canvas to reach our students and families.

Fox Elementary will also provide materials at conferences and workshops to help parents work with their children at home. Parents can request additional conferences by contacting the school or their child's teacher.

Transportation and childcare may also be offered for parents to prevent barriers to family engagement. For all students who reside in residential facilities served by the Muscogee County School District, family engagement correspondence and activities will be mailed to each facility where students reside. If you need interpretation and/or translation services, please contact the school at (706) 748-2723. Some of the ways you can expect us to reach you are:

- Connect-Ed phone calls and/or text messages
- Updates on the school's website
- Facebook, Twitter, Instagram
- Parent Emails
- Parent-teacher conferences
- Canvas
- Class Dojo

How is the Parent and Family Engagement Policy and School-Parent Compact developed and revised?

Each Title I school will conduct a yearly annual meeting to review and revise the Parent and Family Engagement Policy and School-Parent Compact. Each school will invite all families to provide input on revisions to the policy/compact. Families are welcome to provide input throughout the year via feedback forms, emails, comments, or telephone. The revised policy/compact will be available throughout the year in our parent resource area and on our school website.

Where is the Parent and Family Engagement Policy and School-Parent Compact available and who is it for?

The Family Engagement Policy/School-Parent Compact and all other Title I information is designated for all families and is available on our school's website under the Parent Section. Families can also find paper copies of the Parent and Family Engagement Policy/School-Parent Compact in our Parent Center/Area and at Parent and Family Engagement meetings. All families at Fox Elementary are encouraged and invited to fully participate in the opportunities as described in our Parent and Family Engagement Policy/School-Parent Compact. Fox Elementary will provide full opportunities for the participation of families with limited English, parents with disabilities, and parents of migratory children.

What is a Parent and Family Engagement Policy?

The Parent and Family Engagement Policy describes how Fox Elementary School will provide opportunities to improve parent and family engagement to support student learning. Fox Elementary School values the contributions and involvement of families in order to establish partnership for the common goal of improving student achievement. The Parent and Family Engagement Policy describes the different ways the school will support parent and family engagement and how families are encouraged to be full partners in the decision-making of their child's education.

What is a School-Parent Compact?

The School-Parent Compact is a written agreement that outlines how our school, our students, and our families will work together to ensure the academic success of all students. An effective School-Parent Compact contains the following elements:

- Jointly-developed by families, school staff, students, community business partners, and other stakeholders during our annual review meeting

- Specific skills students will learn during the year
- Strategies that staff, families, and students will use to improve student learning
- Ways to extend learning at home
- Methods teachers and family members will use to communicate about student progress
- Opportunities for family members to observe and participate in the classroom
- Review and revise the School-Parent Compact at meetings and provide workshops throughout the year to assure we are diligent in our efforts to support academic success for all students.

What is Title I?

Fox Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is a federal grant that was designed to ensure that all children receive a high quality education and reach grade level proficiency. Title I programs must be based on effective means of improving student achievement and include strategies to support parent and family engagement.
