

Welcome Back Students!

To help keep afternoon dismissal safe and smooth, please follow our walker pickup procedures:

Pre-K-2nd Grade Walkers: 2:16 p.m.

3rd-5th Grade Walkers: 2:18 p.m.

Sibling Walkers: 2:20 p.m.

Please wait by the **trees near the side parking lot**. A staff member will safely escort your child to you.

For everyone's safety, please do not walk to the front entrance, as it is reserved for buses and daycare transportation.

Also, for student safety, please do not park on the sidewalk from the main entrance.

If your child's transportation changes, please notify the school **by 12:00 p.m.** This gives staff time to make the necessary arrangements and helps ensure a safe dismissal for all students.

Thank you for your partnership and for helping us have a safe and successful school year. We look forward to a wonderful year together!
