### As Students, we will...

Students are encouraged to participate in the educational process. A successful student takes ownership of his/her learning and sets high educational goals.

### As Families, we will...

Parents are expected to participate in the education of their children. Without the cooperation and partnership between parents and school staff, we cannot effectively help a student reach his or her full potential. The major role of parents is to continually show their children that they are interested and supportive of how their child is doing in school.

- Instruct, encourage, and teach the student of the importance academics.
- Provide a home environment that encourages my child to learn.
- Communicate regularly with my child's teacher(s).
- Support the school in developing positive behavior and study habits so that they can:
  - Increase test scores
  - Increase Lexile reading levels

## ENGAGING AND EMPOWERING FAMILIES WITH...

**School Measures to Provide Required Assistance: Davis will take the following measures to promote and support parents:**

**Curriculum Information:** Inform parents throughout the year about what their child is learning by providing parent and family engagement meetings and workshops, parent-teacher conferences, information on Canvas, and on our school website.

**Student Progress Monitoring:** Ensure families are familiar with the online resource Infinite Campus (Parent Portal) that allows families to view grades, attendance, schedules, assessments, course history, and much more. Monitoring student progress in school is an important way to be involved in their education.

**Staff Trainings:** Conduct staff development quarterly on parent engagement practices and effective strategies for staff to communicate and build partnerships with parents.

**Communication:** Ensure schools publish all information related to school workshops, programs, meetings, and activities in both English and Spanish and communicated on a regular basis.

**Transition Support:** Partner with early childhood programs, elementary schools, middle schools, high schools, college and career organizations, parent resource centers, or other programs (as applicable) to help prepare families and their children for successful school transitioning.
