"I am thankful for my struggle because without it, I wouldn't have stumbled across my strength." -Unknown

Throughout my life I have endured some trials and tribulations that would have discouraged many, but it was in these obstacles that I gained my confidence and strength.

So here I am today, a Kendrick graduate, preparing for college and the next phase in my life. I did it all for my favorite angel, my inspiration, my mother. I hope I have made you proud. I love you.

A new chapter of life  
We look at you and wonder "where have the years all gone?"  
What happened to our yesterday? It hasn't been that long.  
Since you were learning how to ride a bike and how to catch a ball.  
When did you get so confident?  
How did you grow so tall?

We look at you and wonder  
At how the years go by.  
Who started you here to find your wings?  
What taught you how to fly?

You stand before us on this day  
Prepared to step into a special  
Chapter of your life written just for you.

We look at you and wonder...  
And then we realize  
The time has come to see you  
Through a different kind of eye.

The one that you've grown into is a gift beyond the old.  
So we tell you that we love you and we count on you.

Truly BLESSED!  
Love always,  
Momma, Nanna, and Stepdaddy.
