"I am thankful for my struggle because without it, I wouldn't have stumbled across my strength." -Unknown

Throughout my life I have endured some trials and tribulations that would have discouraged many, but it was in these obstacles that I gained my confidence and strength.

So here I am today, a Kendrick graduate, preparing for college and the next phase in my life. I did it all for my favorite angel, my inspiration, my mother. I hope I have made you proud. I love you.

A new chapter of life
We look at you and wonder: "Where have the years all gone?"
What happened to our "yester days?" It hasn't been that long...
Since you were learning how to ride a bike and how to catch a ball.
When did you get so confident?
How did you grow so tall?

We look at you and wonder:
At how the years go by.
When started you, how to find your wings?
When taught you how to fly?

You stand before us on this day
Reminded to step into a crucial
Chapter of your life we are in just for you.

We look at you and wonder...
And then we realize
The time has come to see you
Through a different kind of eye.

The one that you've grown into is a girl beyond the
one we raised you that we love you and we count
on each other...
Finally BLESSED!
Love always,
Momma, Nani, and Stepdaddy.
