Updates from Mrs. Ernst & Mrs. Jernigan

Hope everyone had a wonderful week. We are finally getting settled into the school year and I am getting to learn more faces and names.

Please join the PTO if you have not! They have been such a blessing to our school. The Book Fair was great and the students were so excited to come and shop.

Thanks, PTO. Your time, support, and presence in the building is appreciated.

A few reminders:

- ◆ If your child gets dropped off in the morning in the front and can open the door to get out, please encourage them to. This will help speed the line up a little.
- ◆ Car-tags are required to pick-up students. If you do not have one, we are going to start asking families to park and come inside to show ID. I know this is inconvenient, so if you need extra tags, let us know. They are \$1.00 a tag for additional copies.
