

Verification Options

Dear NCES Parents,

In an effort to ensure a smooth transition into the new school year, reduce wait times, and eliminate long lines, we are excited to offer Early Verification Options starting this June.

Verification Day is required for all families and is your opportunity to:

- Complete one additional Enrollment Form
- Verify that all online forms have been signed
- Drop off school supplies early (optional)
- Obtain a bus pass (if applicable)
- Pick up your mandatory Car Tag
- **⚠️ CRITICAL REQUIREMENT: You cannot attend any verification session until your online application has been officially approved by NCES. You must wait until you receive an approval confirmation email from us before coming to the school.**

Why Attend Early Verification?

- Every family receives a car tag once the verification process is complete.
- Your car tag acts as your "Fast Pass" for the official District Verification Day on Wednesday, July 29th.
- By completing early verification, you can bypass the main registration lines on July 29th and head straight to meet your child's teacher! Just remember to bring your car tag with you—it's your fast pass to skip the wait!
- Note: If you choose to complete early verification and do not wish to meet the teacher, you do not need to attend on July 29th at all.
