March 11, 2024

Dear Senior:

Gamma Psi Boule in Columbus, Ga., a component of the Sigma Pi Phi Fraternity, has established the Gamma Psi Foundation to **promote excellence in academic achievement among our young people while also promoting gender and ethnic diversity on our college campuses and in the leadership roles of our country.** Sigma Pi Phi Fraternity is the oldest of the African-American Greek letter fraternities in the United States. It was founded in Philadelphia in 1904 and is strictly a graduate fraternity of college educated and professionally trained men.

This scholarship is open to those graduating seniors whose presence on our college campuses would promote our aim of increasing ethnic diversity. As such, most of our recipients are from an ethnic minority group. Each year we select four new recipients for this scholarship. Last year, the scholarship winners were Ciera Walker from Hardaway HS (University of Georgia), Mya Richardson from Central HS (Rochester Institute of Technology), Lauren Lloyd, Columbus HS (Duke University) and Amaya de la Cruz, Smith Station HS (Auburn University).

These students were each awarded a \$1,000.00 annually renewable stipend for four years for a total of \$4,000.00. This scholarship will be awarded on merit and given to meet the demonstrated financial need at the college of the student's choice. We will consider non-academic accomplishments as part of the overall selection process, but the final selection will be weighted toward academic achievement. Finalists in the process also will have an interview before the final selection. **THE INTERVIEW WILL BE SUNDAY, APRIL 28, 2024. FINALISTS WILL BE CONTACTED WITH DETAILS.**

Please complete the attached application with a PDF editor (such as www.docthub.com) or print application and mail to the above address. We need your application as soon as possible to be able to select candidates for an interview. Please contact me via email with any questions or concerns.

Best of luck!

Sincerely,

Vincent A. Naman, MD
Chairman, Gamma Psi Foundation
