

Northside High School Summer Reading 2024

Rising Sophomores, Juniors, and Seniors

All rising sophomores, juniors, and seniors who will be enrolled in an ELA class at Northside for the 2024 - 25 school year are expected to complete summer reading.

This year, we have chosen one book for all grade levels: *Hidden Figures* by Margot Lee Shetterly.

Students should annotate the book as they read and be prepared for an assessment on their reading comprehension and writing skills when they return to school in the fall.

Students who score an 80 or above on their assessment will be eligible for an in school celebration.

Incoming freshmen are not required to complete summer reading.

If you are taking an AP Language & Composition OR AP Literature next year, your assignments are located on different documents, which you can get from Mr. Trowell, Mrs. Hoffman, Mrs. Akers, and the Northside [Website](#), or the front office.

Controversial Issues / Materials

Keep in mind that the book does deal with some sensitive issues that are important to the time period. If you have any concerns, you can read further about this on <https://www.commonsensemedia.org/movie-reviews/hidden-figures> to get a better understanding of the content.
