# **NORTHSIDE HIGH SCHOOL**

## Pre-Registration Process

### Parent Guide

This year, Northside High School followed a multi-step pre-registration process to ensure accurate course placement for students. Counselors met one-on-one with each student to review academic progress, graduation requirements, and course options before sharing the final academic plan with parents for approval.

**Parents are the final step in approving their student's academic plan.**

# Parent Approval Window

**Opens:** Tuesday, April 7

**Closes:** Sunday, April 11 at 11:00 PM

Parents must review and approve their student's academic plan in the **Infinite Campus Parent Portal** during this window. After April 11, parents can still view the academic plan, but approval access will no longer be available.

## Before You Approve

Before approving, please review graduation requirements, course descriptions, and prerequisites on the [Northside High School registration page](#). The page also includes the **HOPE Rigor course list** for HOPE and Zell Miller scholarship eligibility.
