# LEADERSHIP LEDGER

## Message from the Media Specialist:

Hi! I am Cara Humphries, the librarian/media specialist. I have the privilege of working with your children each and every week! I absolutely love my job because I get to engage students in reading and technology when they come into the library. My mission is to instill a love for reading in each of my students and allow them to expand on their strengths and interests. Thank you for allowing me to work with your roadrunner this year!

Mrs. Humphries
