Parents:

In preparation for our upcoming AdvancED accreditation review this fall, the Muscogee County School District is seeking input from parents, students, teachers, and staff. Below, you will find a link to the **Climate and Culture Parent Survey for Richards Middle School**. Students will respond to their surveys during the school day. A Spanish version of the survey is also available upon request at the school.

Thank you for taking the time to complete this important survey, as your input is valuable to us.
