Parents: As part of our safety and accountability measure to ensure the safety of our students and teachers, ALL visitors (parents included) must check in at the front office and get a visitor's pass before going to a teacher's classroom. Additionally, if the teacher has time to speak with them, once they have a pass, they will; however, since they are off contract and may have other things planned and can't stay, they may be asked to call and schedule a conference.
