Parents: As part of our safety and accountability measure to ensure the safety of our

students and teachers, **ALL visitors (parents included) must check in at the front office and get a visitor's pass before going to a teacher's classroom. If it is after school, you still must check in at the office – please do not enter the building and walk the hallways without permission.** If the teacher has time to speak with you, once you have a pass, they will; however, since they are off contract and may have other things planned and can't stay, you may be asked to call and schedule a conference. Thank you for your cooperation in this matter.

Integrity - (noun) – Doing what you believe to be right, regardless of the cost, downside, or hardships involved.

Rep 50 Skills for the Week:

1. When a substitute teacher is present, all class rules still apply.
2. Keep yourself and bathrooms clean and germ-free.
3. Be positive and enjoy life. Some things just aren't worth getting upset over. Keep everything in perspective and focus on the good in your life.
