Quotes from Dr. Martin Luther King Jr.

1. *In the End, we remember not the words of our enemies, but the silence of our friends.*
2. *Nothing in all the world is more dangerous than sincere ignorance and conscientious stupidity.*
3. *Love is the only force capable of transforming an enemy into a friend.*
4. *We must accept finite disappointment, but never lose infinite hope.*
5. *The time is always right to do what is right.*
6. *Faith is taking the first step even when you don't see the whole staircase.*
7. *Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.*
8. *Life's most persistent and urgent question is, "What are you doing for others?"*
9. *Intelligence plus character – that is the goal of true education.*
10. *The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.*
