Richards Middle School's NEW stick sport club, which includes both the sports of field hockey and lacrosse, played in their first game on Saturday, February 27th vs. The Atlanta Field Hockey Club at Kinnett Stadium. This was the state's first ever Georgian field hockey game, making Richards the first school to have a competitive field hockey program. Besides the creation of the Atlanta Field Hockey Club in 2019 and their active Adult Club, the last known field hockey games occurred when the 1996 Summer Olympic Games were played in Atlanta at Morris Brown College. Our girls, under the coaching and guidance of Coach McCarthy, tied games one and three, and were victorious in game two! This was one of the most exciting things I've experienced in my educational career outside of classroom successes!
