

“It must be October, the trees are falling away and showing their true colors.”

— Charmaine J Forde

The PSAT 8/9 is a test that eighth and ninth graders take during the regular school day. It's the first test in the [SAT Suite of Assessments](#), which also includes the [PSAT 10](#), [PSAT/NMSQT](#), and the [SAT](#). All the tests in the suite measure the knowledge and skills your child is learning in school—the same knowledge and skills they'll need to succeed in college.

- The PSAT 8/9 tests your child's reading, writing, and math skills.
- The questions on the PSAT 8/9 are grade-appropriate for eighth and ninth graders.
- PSAT 8/9 scores aren't sent to colleges.
- Schools can choose a date between September and April to administer the PSAT 8/9.

Richards Middle School will test all 8th Graders on NOVEMBER 7, 2022

The PSAT 8/9 takes 2 hours and 25 minutes and includes 3 tests: (1) the Reading Test, (2) the Writing and Language Test, and (3) the Math Test. Most of the questions are multiple choice, though some of the math questions ask you to write in the answer rather than select it.
