The Great Kindness Challenge is a proactive and positive SEL-focused bullying prevention program that improves school climate and increases student engagement.

The Great

Kindness Challenge - School Edition is one week (**January 23 - 27**) devoted to performing as many acts of kindness as possible on campus. During this week in particular, students accept the challenge and show the world that **KINDNESS MATTERS!**

Congratulations to the Richards Academic Bowl Team - they competed this weekend in the State Page Academic Bowl, and placed 6th out of 97 other Middle School Teams in the State!

Also, our Robotics Team placed First for Innovation Project this weekend in their competition!

REPPIN' RICHARDS

Responsibility

Excellence

Professionalism

The Character Word for the month of **January is KINDNESS...** kindness means being gentle, willing to help, being friendly, courteous, and considerate.

“Courage is nothing but the necessity of action when a comrade is in trouble. To not act is cowardice, the opposite of the requirement to save one’s brothers.”

— Dan Schilling

EVERY MEDAL, A STORY TO BE TOLD. EVERY RECIPIENT, A PART OF SOMETHING GREATER.

Gallantry in action. Intrepidity. Above and beyond the call of duty. Risk of life. Selflessness. Exemplary action. Unwavering devotion. Conspicuous gallantry. Extraordinary heroism. The words enshrined with the Medal of Honor citations capture the best of what it means to be human.

By serving, remembering, supporting, and honoring the sacrifice of the Recipients, by sharing the stories and values inherent in them, we understand the responsibility and potential within each one of us to inspire the world.
