

Richards Middle School PTA

Community, Communication, and Appreciation for ALL RMS students, staff, and families

July 26, 2024

Dear Richards Families,

Welcome to the 2024-2025 school year! The Richards Middle School PTA is looking forward to supporting our staff, students, and families throughout the next ten months. We need YOU in order to provide support, activities, and special treats to everyone at RMS. Each \$10 membership goes a long way in making staff feel appreciated and students feel supported through hospitality, holiday events, staff gifts, Teacher Appreciation Week, GMAS testing treats, PBIS celebrations and more. This year, the PTA aspires to help with field trip costs, as well, to enrich our students' experiences in the community.

We understand that life is hectic and not everyone is able to volunteer their time. Please know that your membership is a great way to show our school your support—no time commitment necessary! However, if you enjoy being involved, we can definitely use your help. Emails will be sent periodically with opportunities to volunteer and to send in donations for student events. You will never be pressured to do more than you're willing and able to do. For the most current information, please follow us on Facebook at <https://www.facebook.com/RichardsPTA>. All posts are also published on our website <https://www.rmswarriors.com/>

Please click the link below to join RMS PTA and make a difference in the lives of all Richards staff and students!
