Step 3: Select the appropriate option and click [Next](#).

The screenshot shows the registration process at Step 3, "Relationship to District". The progress bar at the top indicates that "Find District", "Register", and "Relationship to District" are completed, while "Add Students" is pending. The main content area features a message: "Your account has been created! We've sent a welcome email to the address you provided. This site will work best if we know your relationship with NEXCOM - Naval Exchange (Test) (Check at least one and all that apply)". Below this message are four radio button options: "I am a Parent or Guardian with student(s) in the district", "I am a Student in the district", "I work in the district (Staff Member)", and "I am a Guest interested in district activities and/or I want to support the district". A "Next" button is located at the bottom right of the form area.

Step 4: Using their ID number and last name, add student(s) to your account and click [Done](#).

The screenshot shows the registration process at Step 4, "Add Student(s) to Your Account". The progress bar at the top indicates that all four steps—"Find District", "Register", "Relationship to District", and "Add Students"—are completed. The main content area features a header with school-related icons (globe, backpack, pencil) and the title "Add Student(s) to Your Account". Below the title is a sub-header: "Adding your student(s) from MyPaymentsPlus Demo KG will allow you to manage meal account balances, track meal purchases, pay for school expenses and more." The form contains two input fields: "Student ID*" and "Student Last Name*", with a "Where to find Student ID?" link below the first field. An "Add Student" button is positioned below the "Student Last Name" field, and a "Change School District" link is located below the "Add Student" button. To the right of the input fields is a "My Students" section with a grey box stating "There are 0 students on your account". A "SKIP FOR NOW" link is located at the bottom right of the form area.
