

## Do I need to attend Summer School?

Summer School is for credit recovery of a core class that you have failed for the year... Math, Science, English, or Social Studies. Report Cards may not be delivered before summer school starts so it is your responsibility to check your student portal and make sure you passed your classes. If you are unable to check your grades on the portal, you may come to Shaw High School during registration on May 25th—May 26th from 9:00 AM—2:00 PM to see if you need a class in summer school.
