## Our School Goals

St. Marys Magnet Academy will provide all students with high quality curriculum and instruction in a supportive and effective learning environment to meet high academic standards.

### School's SMART Goals:

**Smart Goal 1:** By May 2022, 100% of the faculty and staff will be trained on PBIS Modules 1, 2, & 4 and 85% of teachers will effectively implement evidence-based strategies identified in the modules.

## Working Together To Ensure Success

### St. Marys Magnet Academy will...

Teachers are expected to work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- Coordinate activities for Literacy Night and share strategies with families on how to help students at home.
- Monitor student progress in reading and math and update parents frequently.
- Establish open lines of communication with parents concerning their child's school performance.
- Provide personalized learning experiences for every student.

Ms. L. Hamilton, Principal

### As Students, we will...

Students are encouraged to participate in the educational process. A successful student takes ownership of his/her learning and sets high educational goals.

- Work hard to increase Lexile Reading Levels.
- Work cooperatively with my teachers to increase academic success.
- Work hard to expand my reading levels in Achieve 3000 and the Lexia reading programs.

### As Families, we will...

Parents are expected to participate in the education of their children. Without the cooperation and partnership between parents and school staff, we cannot effectively help a student reach his or her full potential. The major role of parents is to continually show the child that they are interested and supportive of how their child is doing in school.

- Ongoing communication with my child's teacher regarding any questions or concerns about my child's academic performance.
- Ensure sure my child is at school and arrives on time prepared to have a productive day.
- Maintain a knowledge of my child's performance level and growth targets.
- Check agenda books and homework folders daily.

## Our District Goals

- By July 2022, MCSD will have implemented a tiered leadership development program aligned with Georgia's Systems of Continuous Improvement to prepare current and future leaders to an effectiveness level of 90% as measured by participant and supervisor surveys.
- By July 2022, 100% of teachers will implement evidence-based Tier 1 instructional strategies through the standards-based classroom framework with 75% of teachers implementing them effectively as measured by teacher evaluations, student achievement and student Lexile scores.
- By July 2022, all MCSD schools will implement a Core Four area of Personalized Learning to a school-selected level of effectiveness as measured by a District-wide rubric, status reports, walk-throughs, and progress monitoring towards individual school goals.
- By July 2023, all MCSD schools will implement Multi-Tiered System of Supports (MTSS) at a level 3 rating or higher as measured by the School MTSS Fidelity of Implementation Rubric.

## ENGAGING AND EMPOWERING FAMILIES WITH...

**School Measures to Provide Required Assistance: St. Marys Magnet Academy will take the following measures to promote and support parents:**

**Curriculum Information:** Inform parents throughout the year about what their child is learning by providing parent and family engagement meetings and workshops, parent-teacher conferences, information on Canvas, and on our school website.

**Student Progress Monitoring:** Ensure families are familiar with the online resource Infinite Campus (Parent Portal) that allows families to view grades, attendance, schedules, assessments, course history, and much more. Monitoring student progress in school is an important way to be involved in their education.

**Parent Resources:** Create and maintain a Parent Resource Area/Room to allow parents opportunities to checkout materials to assist them with helping their child at home. Resources are available in English and Spanish.

**Staff Trainings:** Conduct staff development quarterly on parent engagement practices and effective strategies for staff to communicate and build partnerships with parents.

**Communication:** Ensure schools publish all information related to school workshops, programs, meetings, and activities in both English and Spanish and communicated on a regular basis.

**Transition Support:** Partner with early childhood programs, elementary schools, middle schools, high schools, college and career organizations, parent resource centers, or other programs (as applicable) to help prepare families and their children for successful school transitioning.

## Communication
